2015 — 2020

Federico Di Benedetto

NARRATIVE DESIGNER · GAME DESIGNER · WRITER

PROFILE

Narrative Designer, Game Designer, and Writer with 5+ years of shipped projects and professional studio experience. I work from both ends: world systems that give narrative its internal logic, and dialogue that gives systems their meaning. Shipped across original IPs, a cross-cultural co-production supervised by Suda51, and two major Amazon Games MMORPG launches. Multilingual (IT/EN/ES), experienced across distributed and multicultural teams.

PROFESSIONAL EXPERIENCE

Ready4Player

2022 — 2023

NARRATIVE & GAME DESIGNER · WRITER

Azadi: New Moons — Open-World Action MMORPG · Unreal Engine 5

- Built complete world lore: four kingdoms, six races, full cosmology across 15+ documents
- Wrote dialogues, quest narratives, NPC bios, dungeon lore, and prologue cinematic
- Designed branching quest flowcharts; contributed to GDD v1.6 (progression, economy, AI systems)

Bastetpaw

2023

GAME & NARRATIVE DESIGNER

Hungerless — First-Person Psychological Adventure · Unreal Engine 5

- Revised story flow, dialogues, and pacing; designed mechanics based on psychological realism
- Exhibited at Romics · 3rd place, Zagarolo Game House – IV Call

D4F Games (now Itamde)

2022 — 2024

ASSOCIATE GAME & NARRATIVE DESIGNER · WRITER

Nyck: Shadow of Evil · Mindless Breakpoint

- Designed narrative structure, mystery arc, and cutscene writing for Nyck (noir point & click)
- External consultant on Game & Narrative Design for Mindless Breakpoint (Steam)

Vigamus Academy & Vantan Academy

2021

LEAD GAME & NARRATIVE DESIGNER · WRITER

Dante Naraku! — Action Roguelite · Student Collaboration · Supervised by Suda51

- Cross-institutional student project (Vigamus Academy × Vantan Academy Tokyo); assumed Lead role after team restructuring
- Designed Karma system, Holy Machinarium skill tree, and Seven Deadly Sins mechanics; creative bridge between Italian and Japanese teams

Freelance — Space Rivals!

2023 · ~1 month

LEAD GAME DESIGNER

Commissioned GDD for a 3D space MMORPG: 6 civilizations, directional ship combat system, galaxy-scale economy, and dedicated balance document.
